

# America's Journey to the Triple Aim: Where Are We?

## *Chapter 1*

MHI Community Conversation  
September 11, 2015

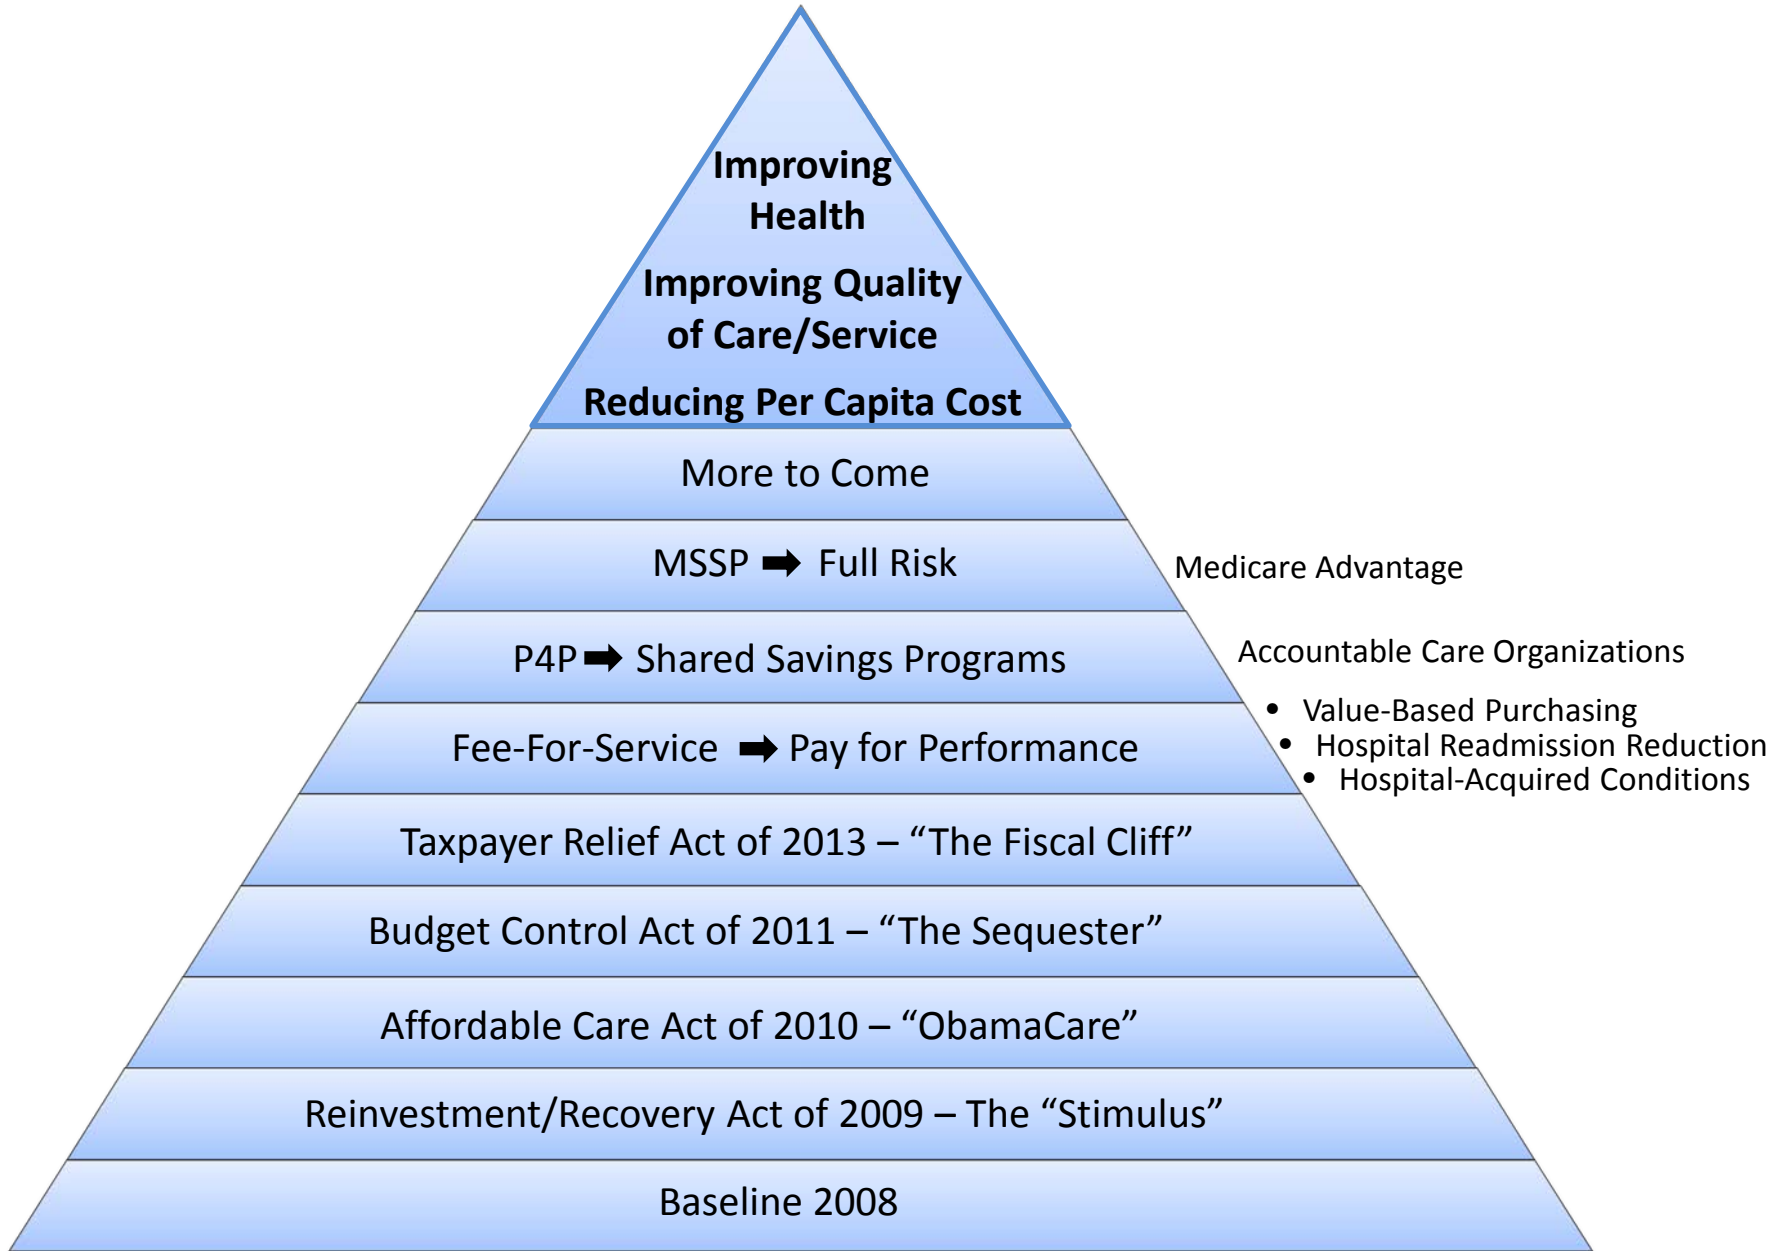

# America's "Triple Aim" for Health Care

---

- Improve Population Health
- Improve Health Care Quality, Safety and Outcomes
- Reduce Per Capita Health Care Costs

# Ascending to the “Triple Aim” Summit

---

# Health Care Financing System

## Population Changes

The American Population Over Age 65 Will Double In Size By 2030

Medicaid Expansion Is Variable State-to-State

Premiums And Out-of-Pocket Cost Sharing Grew Faster Than Wages

Insurance Exchanges (and Individual Mandate) Are Reducing The Number Of Uninsured

**Medicare**

**Medicaid**

**Self-Insured  
Employers**

**Commercial  
Insurance**

# Health Care Delivery System

## Financing Changes

Pay-For-Performance

Penalties-For-Variation

- Readmissions
